

Purchaser may photocopy these templates & the Combat Table Cards for personal use only. GHQ, 2004.  
 Color copies on white card stock will be most useful. Laminating them is a good idea.

Players have permission to photocopy this sheet for their own personal use. Cut "D" or "S" markers in pairs, then fold so that they stand up. We recommend card stock.

The blank side of either "S" or "D" markers may be used to mark Movement Groups.
