

MICRONAUTS®: THE GAME - WWII ERRATA

Despite the authors' best efforts while compiling, checking and rechecking the hundreds of tables and thousands of values in this book, errors were found after printing. To remedy this, we have included an errata sheet. A color version is available in the Free Rules section of www.ghqmodels.com. The online Bonus Supplement has been updated to include these corrections.

Combat Table Card & Section 5.2 (p.15)	Step 4 should be Tactical Movement Phase . Step 5 should be Torpedo Impact Phase .																																																			
p.35	Example in section 12.3: The B5N2 Kate.....can act act as a Torpedo Bomber (TB) or																																																			
p.37	Example in section 12.5.2: A fleet of B5N2 Kates on a level bombing mission																																																			
p.42	Example in section 12.8.5: the Bettys roll.....achieving on hit and one near miss .																																																			
p.54, 59	Exeter - York Class CA																																																			
p.59	Nachi & Haguro - Myoko Class CA																																																			
p.59	Sumatra - Java Class CL (Dutch)																																																			
p.61	Nachi - Myoko Class CA																																																			
p.62	Mogami - Mogami Class CA 1943
